

Selection for 'A' Squad

Dear Parents,

Congratulations on your daughter's selection. Please ensure that you return the Registration Form (below) by 6pm on Wednesday 12th October to confirm your her place in the squad. I appreciate it is a quick turn around but it's necessary in order to be able to select the Development squad.

The completed form should be scanned or photographed and sent by email to Jess@districtfootball.co.uk Please put the players name in the subject line.

The 'A' Squads are for the most outstanding players at the trials. We expect the team to play three matches in the spring term. You will be contacted once the team's schedule is published on www.districtfootball.co.uk No matches will take place before January.

Parents are required to purchase kit for the players, which is personalised, and the players then keep it. The kit might make a good Christmas present. Although we initially supplied kit for the players at matches, the feedback we have had from parents is that players prefer their own kit which they can keep and wear outside of matches. Our kit supplier is setting up a website so parents can order directly, and I will forward details of the website and of your son's squad number once the squads are all in place.

Players selected for the 'A' Squad are given priority for places to represent England in the Gothia World Youth Cup, which is currently planned to take place in Gothenburg next July. You may be interested in the website www.gothiacup.se and feedback from parents from previous seasons which is on the homepage of our website.

Parents can choose whether players fly with the team, accompanied by our coaching staff, or to take the players themselves and meet the team there. We have to book group flight tickets which are in very high demand, so you may be able to find cheaper seats yourself if you are planning to go to Sweden to support, although we have found the players often like to travel as a team. I am unable to confirm the team's specific flight details just yet, but the team flights are likely to leave on Friday 14th July, Saturday 15th or Sunday 16th July and return the same day the following weekend.

The cost of the trip includes food, accommodation in a private school (the plan is for our teams will be on the only ones staying on campus), transfers, transport, and tournament entry as detailed on our website.

Parents are welcome to attend the tournament, although it is not necessary as the players will be looked after by our staff. Again more details about parents booking to attend will be forwarded once the squads have been finalised, but as a brief summary parents can either book your own flights and hotel, or to use our travel agent Clubpin – World Youth Tournaments. They can be contacted at info@worldyouthtournaments.com

You will find lots more information at www.districtfootball.co.uk including a "Your Questions Answered" page. I would be grateful if you could read through this before contacting me with questions!

There is no cost for the matches during the Spring term. Parents will however need to pay the cost of the player's place on the trip to Gothia World Youth Cup and the Training Camp. We also divide the cost of the staff attending between the players. At this stage we just require a deposit. The balance is due for the Camp in January and for the trip to Gothia Cup by the end of April.

The Gothia Cup teams are based on calendar year of birth (the Gothia Cup uses the international age system, starting the academic year on 1st January). Therefore, some additional players from the trial will be selected to go to the Gothia Cup. This is known as the Development Squad. We run a Training Camp in the Easter holidays to allow our teams to train together and prepare for the tournament prior to the trip to Sweden.

The Training Camps are residential and take place at Tonbridge School. Players can choose to attend either Camp. Players will be allocated into teams for Gothia Cup by which Camp they attend. This will mean they can train alongside and get to know other players in their Gothia Cup team. Those that can make either Camp will be allocated to a Camp later this month.

The Camp will include professional training involving highly qualified coaches, workshops with a football psychologist and individual fitness, conditioning, and injury prevention sessions. Each player will receive a personal/unique report and exercise programme to work on prior to the Gothia World Youth Cup. All part of a fantastic experience for the players.

Congratulations again!

Best wishes,

Dan Abraham

Prep Schools' Lions Girls U12 'A' Squad

Player's First Name	Middle Name(s)	Player's Surname
<small>(Use names exactly as on passport. Do not use short or nick-names)</small>		
Home Address	Date of Birth	Tick if a goalkeeper <input type="checkbox"/>
Post Code	Name of Parent	
Parent's email for all communication (print clearly and we prefer parents not to use 'yahoo' or 'hotmail' where possible)		
Player's School	The number(s) above may be used for a team 'WhatsApp' Group <input type="checkbox"/>	
Players' Passport Number	Country of Issue:	Passport Expiry Date (DD/MM/YY):
<small>(Leave blank if passport expires before 31st May 2023 and email your new passport details once known)</small>
