

Sightseeing in Gothenburg

Haga

Haga is one of the oldest neighbourhoods in Gothenburg and well worth a visit. The pedestrian street Haga Nygata is lined with well-preserved houses, many in the characteristic Gothenburg style.

There are many independent shops and cafes, including one of the best bakeries in Gothenburg, Café Husaren. Haga is conveniently located within walking distance of the city centre, but if you arrive by tram you can get off at the stops Hagakyrkan or Järntorget.

Island walks in the Archipelago

With over 20 islands, the archipelago of Gothenburg is full of seaside gems showcasing small Swedish fishing towns and is a great option for a quieter day out of the city.

The car free islands in the southern archipelago are easily reached with Styröbolaget's boats from Saltholmen boat terminal. Take tram 11 or 9 from Centre. Gothia Cup Cards will provide free transport including on the ferry from Sunday 14th to Saturday 21st July.

Visit the Heden Centre

The Heden Centre opens on the Sunday before matches start and with an Information Desk, as well as shops and activities, it is a useful hub to help spectators prepare for the week ahead.

Although this is the "Tournament Centre", you will only see a small number of matches here. However, you are certain to see some fantastic games as many of the showcase matches are held at The Heden Centre, often attracting thousands of spectators.

The Heden Centre bus stop is also where many of the bus routes to the pitches start.

Afternoon Tea & Spa

Enjoy the Afternoon Tea and Spa package at The Riverton which can be booked in advance from £70pp.

The Riverton is also host to the award-winning, **View Skybar & Restaurant**, which is located on the 12th floor giving fantastic views across Gothenburg.

The Universeum

Space travel, sharks, chemistry experiments, the world's most venomous snakes, rainforest safaris, and adventures among dinosaurs.

At Universeum, everything from unimaginably large galaxies to the tiniest particles of life is explored with exciting exhibitions and fun, interactive activities.

Perfect for those travelling with other children!

Hop On - Hop Off City Tours

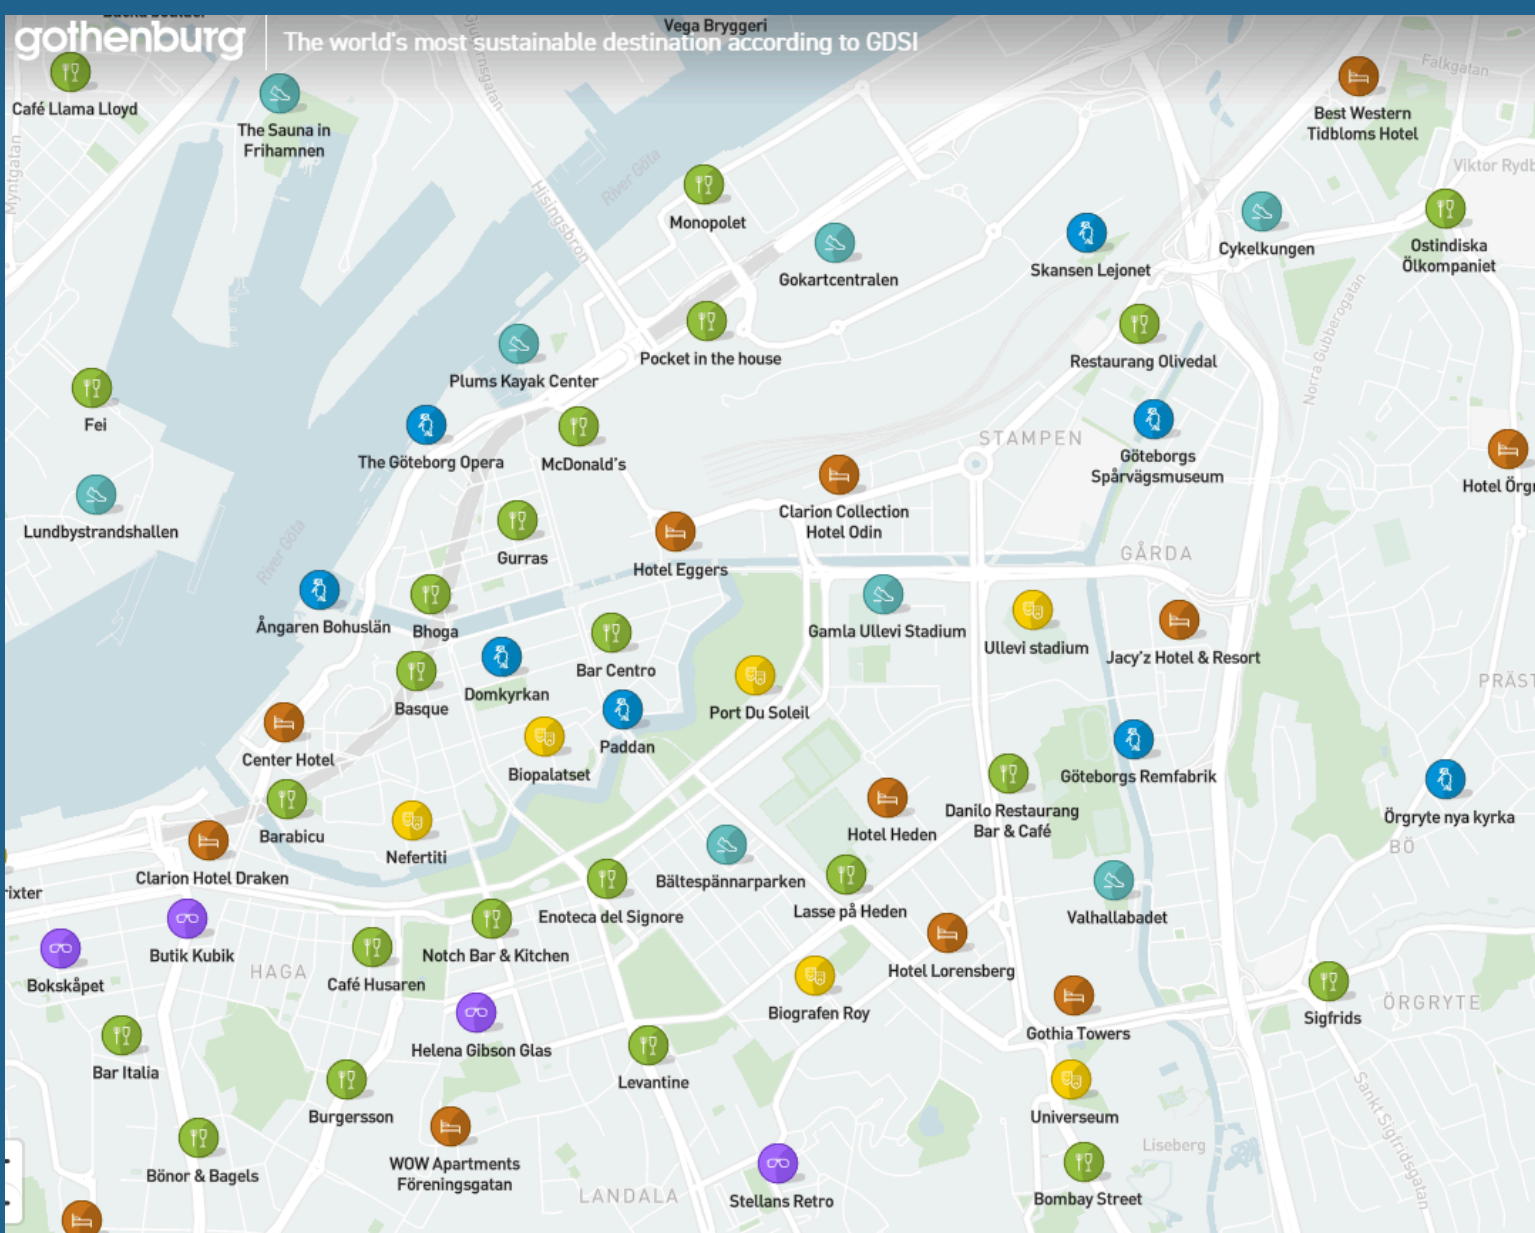

Discover Gothenburg at your own pace with the Hop On – Hop Off Bus and Boat tours. You can purchase either a Bus, Boat or Combination day ticket valid for 24 hours.

The Paddan boat is our favourite option as this takes you along the scenic River S ave an stopping at four popular points around the city, with highlights such as Feskek orka fish market and the ‘Viking’ barque ship at Lilla Bommen.
